

Not That you are listening to any of us who are not just asking but BEGGING you NOT to make this vote, but none the less I feel I must comment on this again. I work in the radio industry and with this vote you are handing pink slips to thousands of air personalities all over our country. You are promoting monopolies and unfair business practices. Thank you for killing the industry that I love. I oppose taking a vote that leads to more media consolidation. On June 2nd, I urge you to retain the current ownership rules."
